International Student Resource Center would like to request priority scheduling in mid-September in HUB 302 and in 3 to 6 other rooms on the 2nd and 3rd floors for break-out sessions for their International Student Orientation, a federally mandated program that takes place every September, generally the week or two before instruction begins. They can provide firm dates by the end of the winter quarter. They have dates now for F2016. Dates of orientations vary by week each year depending on several factors including, but not limited to: negotiating an early move-in date with Housing; confirming the start date for health insurance; scheduling AWPE and MAE exams for incoming freshmen; the SPEAK Test dates for graduate students; the Labor Day holiday; obtaining commitments from college advisors; etc.

- C. The UCR Alumni Association is requesting advanced booking on Monday, July 25, 2016 in HUB 302 from 7:00am - 5pm; HUB 355 for food/lunch room; HUB 3rd floor lobby for check-in and Alumni Association tabling. The Alumni Association in conjunction with the company Targeted Job Fair will host employers who are looking to hire Alumni from UCR and other local colleges, serving young alumni who may have just graduated or who have been out of undergrad for a number of years. Hopefully the outcomes will include many UCR Alumni receiving full time employment. This is also a revenue generator for the Alumni Association by bringing in employers who will gain exposure to UCR's campus and alumni population. The hope is to have this become an annual event for our alumni.
- D. Department of Chemistry is requesting an advanced booking in HUB 302 and all of the smaller meeting rooms in the HUB for the entire day on Nov. 12, 2016 (7am-6pm) to host the annual SCCUR (Southern California Conference for Undergraduate Research) symposium. Undergraduate students from all of Southern California will be in attendance to present their undergraduate research. We expect to have 1,000-1,500 students in attendance.

In addition I would like to request the normal reservation fees be waived for this event. Half of the net proceeds from the conference will be used to fund a number of undergraduate research fellowships here at UCR, and the other half of the proceeds will be used by our board to support future undergraduate research conferences as well as other support for undergraduate research in Southern California. By waiving the room reservation fees you would be freeing up more money to support these programs, including research support for UCR undergraduates.

- E. NASP would like to reserve the HUB, HUB Plaza and Bell Tower Lawns for College Exploration day on either January 21, 2017 or January 28, 2017 from 8am-5pm. This conference is designed to bring together American Indian students in middle school and high school, along with their parents, to provide them with an awareness of higher educational opportunities. The College Exploration Day enhances the opportunity for local universities and colleges to unite and work towards a better future for American Indians as a whole. We will be offering a FAFSA workshop for high school students.

- F. Student Life would like to request early reservation rights for the Winter 2017 Inspiring R 'Leaders Conference on the following dates: January 27, 2017 in HUB 355 from 5pm to 9pm; January 28, 2017 in HUB 302 from 8am to 6pm for the keynote speaker and activities and HUB 355, 379, 376, 269, 268, 265 and 260 from 9am to 6pm for breakout sessions.

The purpose of this Leadership Conference is to provide training and assessment for our student leaders across campus. This conference will be open to all students on campus. The idea of this conference was pitched to our office from The Student Life Advisory board as something to offer in the Winter quarter since Homecoming has moved to Fall and Heat has moved to later in the quarter.
