Endorsement Notes

UCSD: The board has not endorsed a slate, candidate, or resolution. They have generally taken the stance that as a facility advisory board their focus is non political, and there would be a conflict of interest in that we have AS and GPSA reps on the board.

UCSB: No, we have not had a candidate ever ask the board for endorsements.

UCLA: We have never been asked and our Board would not endorse a candidate or slate to remain neutral.
